INTERESTS

EDUCATION

Java Web Development course "FTN - Informatika"

10/2020 - 02/2021

The aim of the course was to introduce students to web technologies and the implementation of web-based applications. I learned to program web applications in Java, using Servlets, MySQL, Spring Boot, React and Bootstrap. Also we implemented Spring security and we secured applications from both backend and frontend sides.

Java Basic Programming course "FTN - Informatika"

09/2020 - 10/2020

Introduction with Eclipse development environment, learning basics of object oriented programming, get knowing the basics of Java syntax.

University of Novi Sad, Tourism and Travel Services Management

10/2012 - present

WORK EXPERIENCE

On the music scene

2011 - present (part-time job)
